

Trace and say.

o

oo

oo

oa

ai

Vocabulary: zoo, food, moon, kangaroo, spoon

Introduce the sound oo. Have students point to the oo in the first box. Have students listen to the sound and repeat it. Then have them point to the picture in the box. Listen to the audio and say oo-zoo. Have students repeat the word emphasizing

the long oo sound. Name the three pictures in the first row. Have students circle the pictures that are the same as the picture in the first box. Follow the same procedure with the next row. Have students circle the oo's at the bottom of the page.
