**Vocabulary:** *volcano, violin, van, vase*

Introduce the letter *v*. Play the audio. Then have students trace over the letter *v* first with their fingers and then with crayons. Point to the picture in the box. Say *v-volcano*. Next, have students identify the pictures in the first row, emphasizing

the beginning sound. Play the audio and have students point to the picture of the violin and say *v-violin*, *v-violin*. Have students circle the matching pictures. Repeat the procedure with the second row. Finally, have them circle the *v*'s at the bottom of the page.
